**09:00 ~ 10:00** We travel by coach this morning to Mt. Fuji 5th station and Hakone National Park. Today (weather permitting) you will see Mt. Fuji from far enough away to appreciate its amazing symmetry and close enough to experience the awe its presence has instilled in the Japanese people and begin to understand its place in their culture.

After a relaxed lunch at a local restaurant, we will also enjoy visiting Hakone Open Air Museum, which boasts collections of artworks made by Picasso, Henry Moore, Taro Okamoto, Yasuo Mizui, Churyo Sato, and many others. The Picasso Pavilion Hall alone features around 300 of Picasso's works. Situated in the mountains of Hakone, it spreads across 70,000 square meters and has beautiful views of the surrounding mountains. Check in at Ryokan Tenyu for 1 night to enjoy a unique combination of a Ryokan and Onsen. Enjoy soaking in your own private outdoor onsen hot bath before dinner.
